

# COMPANY PROFILE.

*Strategically positioned for sustainable success.*

 AUTHORIZED HONEYWELL EPC PARTNER

# THE COMPANY.

Shine Star Contracting & Trading Co. is a leading provider of integrated **Engineering, Procurement & Construction (EPC)** solutions — specializing in ESP & HPS systems, digital oil fields, processing & power engineering, and pipeline construction.

Founded by seasoned upstream oil & power professionals, we deliver end-to-end solutions built on technical excellence, strategic partnerships and a relentless focus on customer satisfaction.

# OUR VISION.

To be recognized as a **premier and trusted service provider** in the oil, gas & power sectors — delivering innovative, reliable and sustainable solutions that empower our clients to achieve their strategic goals.

We set new benchmarks in service excellence by continuously improving our capabilities, embracing emerging technologies, and building long-term partnerships grounded in integrity, performance and mutual success.

# OUR MISSION.

To provide exceptional contracting and trading services that drive **sustainable growth, innovation and operational efficiency** — delivering solutions that not only meet but exceed expectations, ensuring long-term success in every project we undertake.

By adhering to the highest standards of integrity, excellence and professionalism, we build lasting, trust-based partnerships and create mutual value for all stakeholders in the industries we serve.

# CORE VALUES.

01

## QUALITY

The highest standard of craftsmanship on every project, big or small — executed with precision and care, exceeding industry standards and customer expectations.

02

## INTEGRITY

Honesty, transparency and fairness in every relationship — with clients, partners and employees. Doing the right thing is the foundation for long-term credibility.

03

## INNOVATION

Embracing new technologies and methodologies to drive continuous improvement — creative problem-solving and adaptability that keeps us ahead of future challenges.

# OUR SERVICES.

A comprehensive range of services tailored to the oil, gas & industrial sectors — high-quality, innovative and customized solutions that enhance the performance, efficiency and safety of our clients' operations.

01

## OIL & GAS

Upstream, midstream & downstream. We keep it flowing.

02

## AUTOMATION

PLC · DCS · SCADA · HMI. Engineered intelligence.

03

## INSTRUMENTATION

Pressure · flow · temp · level. Calibrated to the truth.

04

## POWER GEN.

Generators · switchgear · UPS · LV/MV. The lights stay on.

# CAPABILITIES / I.

ARTIFICIAL LIFT · POWER · DIGITALIZATION

01

## HPS & ESP Operations

VFD & VSD design, supply & overhaul; full VSD skids, surface equipment, termination & commissioning.

02

## HPS EPC & 24/7 O&M

Full EPC, operation & round-the-clock maintenance of Horizontal Pumping Systems.

03

## Generator Supply

Turnkey genset supply & commissioning, fuel & filtration systems, ATS & auto-synchronization panels.

04

## Digital Oil Fields & SCADA

Instrumentation, data transmission & integration; turnkey SCADA & exception-based surveillance.

05

## UPS & Solar Energy

Comprehensive EPC / turnkey services for UPS and solar energy systems.

06

## Power Quality & Testing

Harmonic filtration systems, instrument loop tests, TDR / TTR, transformer repair & oil filtration.

# CAPABILITIES / II.

ELECTRICAL · FIELD · SUPPORT SERVICES

07

## **HV Switchgear & Cubicles**

Design, supply & commissioning of high-voltage switch gear, cubicles & power distribution panels.

08

## **Digital Transmitters & Calibration**

Supply, installation, commissioning & calibration of digital transmitters and field instruments.

09

## **E, E & I Supply**

Electrical, electronics & instrumentation equipment; EX & waterproof accessories for hazardous areas.

10

## **Lighting, CCTV & Control**

Industrial & oilfield lighting, CCTV systems and general power & control solutions.

11

## **Piping & Flowline · Water Wells**

Full piping & flowline construction; water-well drilling, pumps, wellpad prep & grounding.

12

## **Wellsite, Field & Support**

Drilling / workover & rig-less services, rig PLC & VFD support, training, mentoring & site catering.

+ MORE, TAILORED TO CLIENT NEEDS

*whatever the field demands.*

AUTHORIZED PARTNER · NOT JUST A CLIENT

# AUTHORIZED HONEYWELL EPC PARTNER.

Shine Star CTC is an **authorized Honeywell partner and EPC contractor** — engineering, supplying and commissioning Honeywell's process automation and control portfolio across Iraq's oil, gas & power sectors. This is a credentialed technology partnership, not merely a vendor relationship.

▶ DCS EPKS with C300 controller & Orion station

▶ ESD SMSC controller & SM Blue safety systems

▶ SCADA & terminal management systems

▶ RTU 2020 / RC500 & wellhead monitoring

▶ ControlEdge PLC & field instruments

▶ Tank gauging, metering skids & provers

▶ Cyber security & CCTV integrated solutions

▶ Digital oil field & terminal / loading systems

▶ Fire & gas (FACO) systems & field devices

▶ Emission systems with software & camera solutions

▶ CCC compressor control & rotary automation

▶ Gas processing solutions & UOP licensing

# GENERAL SUPPLY.

Honeywell is our one authorized partnership. Beyond it, we source, supply and service equipment from the world's leading industrial brands — with a proven track record of delivering their systems on demanding field projects.

## Schneider · ABB

Control panels, breakers, switchgear, contactors, protection relays & UPS.

## Emerson · KROHNE

Measurement instrumentation, regulators, valves, transducers & safety systems.

## Siemens · Rockwell

Instruments & automation systems for industrial & oilfield control.

## Fluke · Megger

Measurement, calibration & repair devices for precision diagnostics.

## NOVOMET · WFT

Turnkey HPS systems for artificial lift operations.

## Perkins · CAT

Power generation, gensets, spare parts & lubricants.

## HYUNDAI · CEG · AMPS

Motors, transformers, power generation & solar solutions.

## SOROTECH · CPTDC

Hybrid / online UPS systems, pipelines & manual / motorized valves.

# OUR STRATEGY.

Our Corporate & Social Responsibility strategy is aligned with our business objectives — creating sustainable, long-term value for every stakeholder, from local communities to global partners.

## 01 OUR PEOPLE

Our most valuable asset. We invest in their development, well-being and safety so they can succeed in a dynamic industry.

## 02 ENVIRONMENT

Minimizing our environmental footprint and promoting sustainable practices across every operation.

## 03 CUSTOMERS

Long-term, trusting relationships built on high-quality, reliable and innovative solutions delivered with integrity.

## 04 COMMUNITY

Supporting local initiatives, providing jobs and contributing to the social development of Basra and Iraq.

# HSE & ENVIRONMENT.

We are fully committed to environmental protection and adhere to all relevant HSE regulations. Our HSE Management System keeps risk **As Low As Reasonably Practicable (ALARP)**, aligned with international best practice and conducted through Environmental Impact Assessments and an auditable management system.

## SAFEGUARD

### People & Environment

Protecting employees, contractors, visitors and the environment across all operations.

## COMPLY

### Regulation & Audit

EIA-led compliance, hazardous-substance management and a documented, auditable system.

## ENGAGE

### A Culture of Safety

Working with operators, clients & third-party HSE committees to promote safety & awareness.

# QUALITY MANAGEMENT.

Shine Star CTC is certified to three internationally recognized standards and operates a robust Quality Management System — continually enhancing performance, optimizing processes and assuring the highest levels of quality, environmental responsibility and occupational safety.

## ISO 9001

Quality Management — consistent processes that meet and exceed customer requirements.

## ISO 14001

Environmental Management — responsible, sustainable operations that reduce impact.

## ISO 45001

Occupational Health & Safety — protecting people across every site and activity.

# THANK YOU.
